

Dear Parents/Guardians,

In the event that we require to move to remote learning following the holidays, the Level 3 team have decided that we are going to be using the Seesaw app. This will hopefully allow us to communicate a lot more freely with students and support them further with learning. We are still working out the finer details as to how this will potentially look however we have already purchased the app and it should have been downloaded onto your child's iPad.

Below is some instructions on how you can login into the Level 3 class page on the seesaw app;

**Open the Seesaw Class app. Or go to <https://app.seesaw.me> on your computer.**

When you're ready to use Seesaw with students, they should follow these instructions to sign in.

## Get Students Signed In

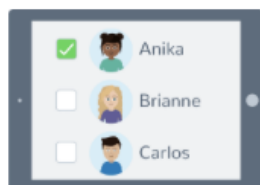

1. Open the Seesaw Class app on iOS or Android. Or go to [app.seesaw.me](https://app.seesaw.me) on any computer in Chrome or Firefox browser.

2. Choose I'm a Student.

3. Scan this code using Seesaw's QR code reader or type in the text code.

**We will provide the QR code through Flexi buzz at the beginning of the term**

4. Pick your name
