### POLICY

#### 1. School profile

Echuca East Primary School was established in 1885 and is located approximately 200 kilometres north of Melbourne. We have 275 students enrolled from Grade Prep to 6 and 30 school staff members including a Disability & Inclusion Co-ordinator, Mental Health in Primary Schools Co-ordinator and Tutor Learning teachers.

Our school is within the North Western Victorian Region, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Echuca East Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

The school also has strong representation from the Koorie community, 25% of our enrolment. We have families from diverse cultural backgrounds with several families speaking a language other than English. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

## 2. School values, philosophy and vision

Echuca East Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity. Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.
