

Dear parent/carer,

Echuca East Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has makes a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide special curriculum experiences; educational incursions, enhanced digital learning opportunities; and much more.

Please use the QR code below or [this link](#) to the online curriculum contribution form to indicate your contribution.
